Land Use in the City of LA - Is there Opportunity for your clients Perils & Pitfalls

- How do you get the city to change the zoning use? How easy is it? How expensive is it?
- How much time is needed? Mixed use properties-is that the new trend?
- Low income housing-Is it required for new development of existing property?
- How do you start the process?
- How important are the environmental issues?
- This and much more will be discussed with this experienced attorney who has the map for success.

These and other questions will be answered at this very important meeting.
