

MATRIX

MANAGING LISTINGS; REALIST TAX; CRMLS APP

Managing Listings

Creating top-quality listings in CRMLS Matrix is crucial to your success. Accurate and engaging listings not only increase your chance of making sales, but also help you avoid common violations. This course covers basic and advanced techniques for entering, updating, and managing listings, as well as improves your understanding of the MLS Rules and Policies. Whether you're a beginner or an experienced user, this course can benefit you. Topics include:

- Adding and editing listings, images, and supplements
- Creating an Open House
- Registered Listings
- Coming Soon listings
- Compliance best practices and insights

Realist Tax

Public records should be easy to find – and Realist Tax lets you do just that through an all-intuitive, feature-rich platform. With seamless MLS integration, Realist Tax offers extended access to professional reports, map-based searching, building permits, school zones, and so much more.

This class will cover:

- How to extract reliable, in-depth property data and local market information
- How to identify, understand, and act on the tax information
- Farming techniques to employ with Realist Tax data, including mail label generation
- Customization, including integrated and advanced mapping
- Creating and sharing professional reports
- How to use Realist Tax tools like the Value Map and Propensity to Sell

CRMLS App

Access your information anytime, anywhere with the CRMLS App. Search for listings, communicate with agents and clients, and view property information with the power of CRMLS data on your mobile device. Learn how to save time and effort by easily synchronizing your CRMLS Matrix carts and favorites between your computer and mobile device.

This class will take you through:

- Installing the app and setting up your account
- Accessing your contacts and saved searches
- How to communicate with clients and other agents
- How to search for listings
