OFFICIAL NOTICE OF PROPOSED SRAR BYLAW AMENDMENTS

Attention REALTOR® Members:

This electronic notice serves as formal notification that, at its regularly scheduled meeting held on July 30, 2026, the SRAR Board of Directors approved several amendments to the current Southland Regional Association of REALTORS® Bylaws. This notice is provided as per **Article XVI, Section 1 (b)** which states in part:

Upon two thirds (2/3) Vote of Board. *All amendments to the Bylaws not requiring a vote of the membership pursuant to Corporations Code Section 7150 may be approved by a vote of two thirds of the Board, provided the proposed amendments have been published to the membership at least thirty (30) calendar days in advance of the Board vote on the amendments.*

The proposed SRAR Bylaw amendments are as follows:

Proposed Amendment #1

Article X. Officers and Directors. Section 3 Election of Directors: The annual election day shall be the ~~second Tuesday in October~~ date specified by the Board of Directors. If for any reason the election is not held as scheduled, it shall be held as soon as practicably can be held after that date.

Rationale: This amendment removes the requirement that the election of SRAR Directors be held during a specified month and on a specified day of the week, providing the Association with flexibility to complete the election earlier in the year. Earlier completion of the election process allows newly elected SRAR Directors more time for orientation and preparation before taking office and provides clarity regarding local leadership commitments before members pursue state and national leadership and committee opportunities with overlapping application and appointment timelines. The amendment does not change the election process, voting requirements, or terms of office.

Proposed Amendment #2

An individual serving as a Director shall not be concurrently serving on a board of directors of another local REALTOR® Association within the state of California.

Rationale: This amendment promotes independent governance, protects confidential association matters, avoids actual or perceived conflicts of interest, and ensures Directors' undivided fiduciary commitment to the Association.
